
Announcement

TO: GeorgiaFIRST PeopleSoft Financials Users

POSTED: December 28, 2017

SUBJECT: System Maintenance Completed for FPLAY

FPLAY has been refreshed from a recent copy of production and is available. Please note the following:

1. FPLAY has two new URLs, effective today
 - o Core Users: <https://core.fplay.gafirst.usg.edu>
 - o Self Service: <https://selfservice.fplay.gafirst.usg.edu/>

Please clear your caches and delete the old URLs from your bookmark and favorites. The new URLs are already in use, so the old ones will not work as of today.

Also, please provide the new URLs to anyone in your institution who accesses PeopleSoft Financials.

2. Your password may have changed in FPLAY.
FPLAY was refreshed from a copy of FPROD dated 12/18/17. The current password for your user ID in FPLAY will now match the password you had in FPROD on that date.
3. Banner Integration
If you need to test Banner to PeopleSoft interfaces, then database links will need to be created to connect your Banner Test Database to this version of FPLAY PeopleSoft test environment. Any database links with FPLAY that existed prior to this refresh will
